# african centered leadership followership foundational

KÃ¼pers University in Hagen, Germany The paper proposes a framework for the integration of leadership and followership. An integral orientation considers that leadership is constitutively linked with followership and vice versa. Facing the diversity of approaches and theories in both fields, a comprehensive conceptualization is ...

Perspectives on Integrating Leadership and Followership - Afrocentric education is designed to empower peoples of the African diaspora. A central premise behind it is that many Africans have been subjugated by limiting their awareness of themselves and indoctrinating them with ideas that work against them. Afrocentric education - Wikipedia - We begin by positioning the study of followership in the context of follower-centered approaches to leadership and leadership theories that privilege the role of followers (e.g., shared leadership and self-management).
